## NEW YEAR GREETINGS

Ex-county Clerk S. T. Roper

### DAVIS HENRY MARRIAGE.

William C. Davis and Miss Henry Davis, of the Chicago region, had their wedding ceremony at the Methodist parsonage on Walnut street, Rev. J. W. Waters performing the ceremony in the presence of a large number of friends who accompanied the young couple.

Mr. and Mrs. Davis are from one of the best prominent and influential families of that vicinity. They are well known in this city and many friends have gathered to greet them.

### GEN. CROWDER MAKES RULING.

Provost Marshal General Crowder has notified army officers that there will be no more formal calls for deferred percentages of the present quota of national army men before Feb. 15. All men who have been called but whose order numbers are so low they are not actually in camp, will get the benefit of the new classification.

Boards have been instructed, however, to continue sending men to make up deficiencies in the quota caused by rejection of men already in the service until they have enough men finally placed in the first class.

They were notified also to expect very shortly calls for men skilled in special lines of work.

### LUTHER BURBANK'S LATEST.

Luther Burbank, the wizard florist, horticulturist and agriculturist, has produced a new wheat which, it is said, will yield from fifty to seventy five bushels to the acre. The heads are long and the grains large, the bread from which is excellent. The wizard is doing his bit for preparedness.

A sudden stroke of apoplexy brought to an abrupt close the remarkable life of Duke C. Bowers, the founder of Mr. Bowers' Store and widely known philanthropist, Saturday morning of last week at his home in Dresden, Tenn. Mr. Bowers, who was 43 years old, was a native of Mobile, Ala. He was educated at Clinton, Ky., and formerly resided at Columbus, Ky., of which place he was at one time mayor.

Investigation into the case of the wreck on the L. & N. at Shepherdsville, Ky., on December 20th, which resulted in the death of 47 passengers, brings to light the fact that the engineer disregarded orders to slow down to a speed that would make it possible to stop at the station at Shepherdsville.

The W. O. W., at Antioch, will have a public installation of officers Saturday night, January 12, 1918. The program will consist of music, readings, oratory and a speech.

Courier three months for \$5c.

### DR. DREW LUTEN WEDS CHARMING VIRGINIA LADY.

A wedding that came as a great surprise to Hickman residents and friends was that of Dr. Drew Luten, formerly of this city, and Miss Virginia Pack of Rounder, Va. The wedding taking place at the home of the bride, Dr. Luten is the brother of Mrs. J. H. Luten, formerly of this city, who is now in the United States Navy at Great Lakes, Mich. and was formerly a resident of this city. The ceremony was performed by Rev. J. W. Waters, pastor of the Methodist church, at 10 o'clock, and was attended by a large number of friends.

The bride is well known to a number of Hickman people having been the guest of Mrs. Henry Davis, who is the sister of the bride, and is the daughter of a prominent family in this city. They arrived here Christmas for a short visit with Dr. Luten's family before they leave for their new home.

### STEAMER TARASCON SINKS.

The river steamer Tarascon, on her way from Memphis to Cincinnati, sank in 12 feet of water after striking a snag while passing a bend in a cottonwood river.

No one was injured and it is thought that the boat can be salvaged. A wrecking crew reported the cargo consisting of 125 bales of cotton and 1,100 sacks of cottonseed. The vessel was valued at \$15,000 and was purchased by the Valley Navigation Company of Memphis, Tenn. The vessel was built in the city of Louisville, Ky., and was the property of the Tarascon Navigation Company.

### MULES AT \$500 A PAIR.

One of the largest sales of mules ever made in Hickman was held last week when S. L. Dadds sold two cars of mules to Maher Bros. and the Edwards Mule Company, of St. Louis at an average price of about \$500 per pair. It only took Frank Maher 20 minutes to inspect and pay Mr. Dadds what he asked for the mules. Whether or this was a case of "pork and small profits" we do not know; but the mules were no fine lot as ever came to Fulton county, having been purchased by Mr. Dadds last year, following the tornado of May 27th, which killed most of his work stock.

### 800 POUND NEGRO DIES.

"Baby Jim" a Philadelphia negro, said to be the heaviest man in the world, died last week. He weighed 800 pounds and for years had been one of the sights of circus sideshows. He was 37 years old. The body was taken to his former home in Texas. For his transportation it was necessary to charter an entire freight car.

### SMALL BLAZE AT GIN.

A slight blaze in the corn shed at Honturant & Leford's cotton gin in West Hickman brought out the fire engine on Thursday evening of last week, but was soon extinguished and bore any damage was done. The machine ignited while baling shucks.

### 100 MORE NEW BOOKS.

A hundred new books, embracing new fiction, books for children, etc., have been received at the Carnegie library and are ready for loan to those who care to read any of them. During the week the library is open from 2:30 to 4:00; and 2:00 to 4:00 on Sunday afternoon.

STRAYED: About Dec. 15, light, brindle cow, crop and underbit in right and half undercrop in left ear. Piece of chain around neck. Reward. Notify Lonnie Harrison on Kirk farm south of Hickman.

### Kentucky's Youngest Sheriff

### MRS. HENRY DAVIS AT REST.

Mrs. Henry Davis, wife of Henry Davis, died at the family residence on Walnut street, Dec. 28, 1917, at the age of 80 years.

Mrs. Davis was the daughter of John J. Davis of Hickman. Her father, Henry, of Clinton, Mo., married Mrs. Mary Huddle and Mrs. Virginia Pack, of Clinton. Another son, Henry, died about two months ago.

Funeral services were held Sunday afternoon, Dec. 31, at Rev. H. J. Waters and Rev. W. T. Holt's at the First Baptist church.

Mrs. Davis was one of Fulton county's prominent citizens and is well known by all who know her. Her death is a loss to the hearts of a few of friends and an even longer loss to her husband and children.

Peoples is often a matter of common knowledge. This fact is proved by the large number of times of business in which high prices are maintained in spite of extravagant offers and the fact that the profits are not commensurate with the loss in the market.

I. G. Brown, of some 300,000 lbs. of a three foot and half one week long strength for \$150 in normal only. The big woman weighs 340 lbs. The big woman weighs 340 lbs. and 25 others in and were taken from the Kelly.

### PEEPLER CAMPBELL.

The marriage ceremony of Raymond C. Peoples and Miss Peol Campbell was quietly held Christmas evening at the parsonage at a venue of Rev. J. W. Waters, pastor of the First Methodist church.

Only a few intimate friends of the couple were present. Mr. Peoples is a son of Mr. and Mrs. Dave Peoples, a highly esteemed family of the Walnut Grove neighborhood and is a prosperous young planter. The bride who is the daughter of Mr. and Mrs. John Campbell, of Cayce, is a young woman of talent and possesses a host of friends in her home town—Fulton Leader.

### NO MORE PATENT FLOUR.

The United States Food Commission has requested millers throughout the country to discontinue making "patent" flour. A Fulton county miller tells us that from now on he will be allowed to make only straight flour, every sack of which must be the same.

More than that, he has received notice that the amount of wheat hereafter will be only four bushels and twenty-four pounds. This is more than six pounds less wheat than he has ever put into a barrel of flour. The idea, of course, is to conserve the supply of wheat in the country.

### MISS HAZEL ADAMS WEDS.

Miss Hazel Adams, a daughter of C. M. Adams, of this city, was married last Monday at Clinton, N. Y. We failed to learn the name of the gentleman of Miss Adams' choice, but understand he is an automobile mechanic.

The bride is well known in Hickman, where she spent her girlhood days. She is a bright, handsome, accomplished girl, and for several years was connected with the Courier force. The couple will make their home in New York State.

### REPORT \$800 TRANSACTIONS.

Forms on which individuals and business must report payments of \$500 or more made to any one person during the last year are under preparation by Internal Revenue Commissioner Roper. A ruling to be promulgated is expected to provide that these reports must be made by March 1, when income and excess profits returns are due. Former plans had been to compel an earlier report.

Miss Ellise Luten who teaches in Fulton, spent the holidays here with home folks.

## A Happy New Year

To those whom we call our customers--and to those others whom we hope to call customers before another twelve-month rolls by--we wish the happiest, good-luckiest New Year ever.

THOS. A. LEDFORD DEAD.  
WAS LEADING BUSINESS MAN.

Like the sequel to a tragedy, the dying of the old pioneer today, came the death of one of Hickman's most prominent citizens and leading business men—Thomas A. Leford. He died at his home, Monday morning, Dec. 31, after an illness covering a period of several months. Passing, further aggravated by a weak heart, was the cause of death.

Mr. Leford's career commenced with the elements of a business man, this element being the experience of a business man. He was born March 17, 1847, on a farm near Roaring Springs, Ky. When a mere lad, single-handed, he started out without means or money to make the battle of life, and made it. His business career began in 1868 when he arrived here, and began working in a grocery store for F. B. Case at \$1 a week. He followed steps and unusual persistence and business ability. He rose from this humble beginning to that of a bank president, also one of the great planters in Western Kentucky, owning more than 1000 acres of land together with many other valuable interests. It may be said, with all modesty, that he became one of the wealthiest men in the end of the state as a result. Because his accomplishments in the financial world, he achieved an enviable place in the esteem and admiration of his fellowmen. His reputation for business ability, integrity, honesty, made him a leader in all matters of business with which he was connected and won for him the love of his friends.

As stated above, he began work for Mr. Case, later he worked for D. B. Bryant, then became interested in business under the firm name of Leford & Bryant, next T. A. Leford and finally the grocery firm of Leford & Randle. This firm was established in 1880 and continued in business 17 years, being dissolved last March in order that the Leford might devote his entire time to his big farming interests.

Shortly after purchasing the land known as D. B. Bryant, Mr. Leford was united in marriage with Miss Pearl Bryant, a daughter of D. B. Bryant, the wedding occurring May 31st, 1893. This union was blessed with two children, a son, Bryant, and a daughter, Mrs. R. G. Stone, who survive their father, as does also the mother and wife. Besides this, who mourn his loss, he leaves a mother, Mrs. Fannie Leford, one sister, Mrs. Humphreys, three brothers, Wickliffe, Shibley and Walter Leford, all of whom reside in Hickman county, except the last named, whose home is in Texas.

Mr. Leford was slightly past 50 years of age, and 37 years of his life was spent in this city. His passing leaves a vacuum that will be hard to fill. In his quiet, unassuming way, he made many friends and was a valued citizen. At the time of his death, Mr. Leford was president of the Farmers & Merchants Bank, a member of the Fulton County Live Stock Board and has held numerous responsible positions. He was also a member of the Elks lodge of this city.

On account of his large business interests, Mr. Leford found little time in recreation or play. He was a busy, business man. But he had planned to get his affairs in shape to shift the burden of responsibility in a measure and enjoy the fruits of his labor. Here again is another striking example—three or four of which we recall right here in Hickman in recent years—impressing the sad truth of the lines penned by Burns, who said, "That the best laid plans of mice and men will oftentimes go astray." Yet, we must admit that ambition and ultimate success is the chief aim of all and is both laudable and commendable, regardless of the uncertainty of life and the mystery of death.

Impressive and largely attended funeral services were held at the family residence this afternoon by Rev. R. C. Douglass and Rev. R. M. Walker, of the Methodist churches of Hickman and Union City, respectively.

**WE ARE  
THANKFUL  
—  
1917 WAS OUR  
BANNER YEAR!**

We certainly want to express to you our appreciation of your patronage. 1918 will very likely be a year of continued prosperity all along the line. It looks like to us that it is not a question of price--but getting the goods.

We were advised by the factories several months ago that on account of car shortage and the government taking over so many of the factories, to get goods quick and we firmly believe later on we will not be able to get a great many articles at any price.

We recommend that you buy your requirements for the farm AT ONCE.

Our structural research was first completed in the summer of 1980, and then in 1981. A. C. Collins is being added to the Office of Social Research in the fall semester of 1980. George/Sheri Smith of the Office of the Mayor, who has been a close associate of K-12 and recently joined him, has few more than 10 minutes. His contact with Collins is good and we are sure that the next time, 1981, a new beginning can be expected. The year 1981 is a 22nd anniversary of the formation of the city of Chicago, and it is a good time to look back and forward.

The cold wave extended as far south as Florida and resulted in great damage to garden truck in the far south. Along with it was the general coal shortage, making this one of the most severe winters of winter experienced in this year. ## Fine Registered Berkshire Hogs for Sale

The Government is requesting everybody to raise one or more hogs and our experience and advice is that the Berkshire hog is the most profitable of all hogs. They are active and thrifty and less susceptible to diseases than any other known hog. They can be fattened at any age and are considered the best meat of them all.

For the same reasons that I am selling my flocks of sheep, herds of cattle, etc., I am closing out my hogs. We have quite a lot of young hogs and some of our old herd, now that range in price from \$20.00 up.

Would be glad to have your orders as long as they last. Call or write.

SYD. L. DODDS, Hickman, Ky.

## Registered Hampshire Sheep for Sale

A LAMB

We have for sale 60 head of choice registered Hampshire ewes, a flock that we have been breeding up for years, which is one of the finest flocks in the state. Sheep are higher today than was ever known, and there is a greater demand in the south for them, which will increase and you will make no mistake in purchasing all or a part of these ewes.

We can let you have your pick of them at \$50.00 each, or if you will take as many as ten at \$40.00, twenty at \$30.00, or all of them at \$20.00. The lambs and wool season will easily pay the cost of them.

My reason for selling is that I met with an accident which will cause me to retire from business, and I have sold my stock farm, and am therefore offering all of my sheep, cattle, hogs, etc., for sale.

But some of these ewes, make some registered rams to cross with your common ewes. Spring lambs will make good breeders for next fall use.

For further particulars, call or write.
